Notes

NOTE 1 ACCOUNTING PRINCIPLES

The interim report for the Group has been prepared in accordance with the Annual Accounts Act and IAS 34, Interim Financial Statements and, in the case of the Parent Company, in accordance with the Annual Accounts Act. Information according to IAS 34.16A is available not only in the financial reports and their notes but also in the rest of the interim report.

NOTE 2 SIGNIFICANT ESTIMATES AND ASSESSMENTS

Estimates and assessments are evaluated continuously and are based on experiences and other circumstances, including expectations on future events which are considered reasonable during current conditions.

The group makes assessments and assumptions about the future that affect the reported value of asset and liability and income and expense items. Actual outcomes can then differ from these assessments if other conditions arise. The estimates and assumptions that have a material impact on the reported values of assets and liabilities are described in note 2 in the annual report of the group.

NOTE 3 FINANCIAL ASSETS AND LIABILITIES VALUED AT FAIR VALUE

For assets and liabilities measured at amortized cost, this is assumed to be a reasonable estimate of the fair value. For some of these items, however, there is a fair value that marginally differs from the carrying amount due to changes in interest rates. For other loans, fair value is deemed to agree with the carrying amount as the credit margins agreed are still market based.

NOTE 4 OPERATING SEGMENTS

The Group's operations comprise one operating segment, that is to say, the Group's operations comprise a business that generates income and expenses and whose operating profit is regularly assessed by the company's chief operating decision maker as a basis for monitoring earnings and allocating resources.

Signatures

This interim report has not been subject to a review by the parent company's auditors.
